

# DIGITAL LEARNING

## summit 2014

October 23, 2014: 12:00 PM – 3:00 PM at Kent Innovation High

### “Creating Digital Rich Classrooms”

The Kent ISD Digital Learning Summit will draw together the Kent Learning Collaborative and the Kent Technology Advisory Committee. Participants will explore how to promote learning using technology. Come and experience interactive classroom technology in hands-on sessions that will help you increase student engagement and achievement.

**Access Code: SUMMIT**

### Keynote Speaker

Andrew Miller ([andrewkmiller.com](http://andrewkmiller.com))

*As an experienced educator and international consultant, Andrew Miller is keenly aware of the challenges facing educators and their students. He is committed to education innovation that meets the needs of all students and teachers, one classroom at a time.*

*Andrew is an avid blogger and writer for a variety of organizations including ASCD, Edutopia and the Huffington Post. He is also a certified Literacy Design Collaborative Trainer, and works with teachers of all content areas to build literacy skills for students. He has worked with Abeo School Change (Formally known as the Small Schools Project) to increase their Web 2.0 presence and collaborate with education innovators, and Educurious to create engaging online courses to prevent high school drop-out. He advises and collaborates with game design companies to ensure practical design and classroom implementation.*

*Andrew also frequents as a facilitator and participant in twitter #pblchat, and was the recent winner of the NEA Foundation and U.S. Department of Education's "Challenge to Innovate" Gaming Challenge.*
